

Continuously Improving CARBOWAX™ SENTRY™ Liquid Polyethylene Glycols (PEGs)

- CARBOWAX™ SENTRY™ Liquid PEGs have a long history of success in the prescription pharmaceutical and over-the-counter consumer health industries.
- Liquid PEGs are readily biodegradable and are miscible with water in any ratio, which makes them an excellent choice for countless applications.

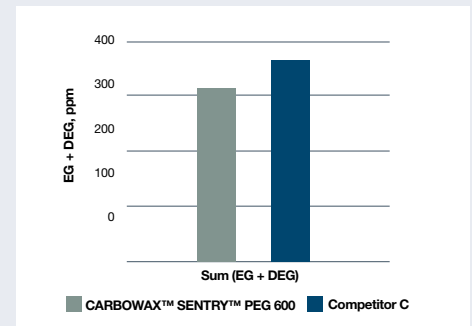

CARBOWAX™ SENTRY™ PEGs deliver superior product quality and consistency to give you peace of mind

Lower aldehydes provide improved stabilization of certain drug forms such as liquid gel capsules.

Lower salts minimize API reactivity in topical formulations.

Lower ethylene glycol (EG) + diethylene glycol (DEG) levels help ensure your products meet increasingly stringent residual solvent requirements in liquid oral dose.
